

Fine Arts Workshop

“The Big Picture of the National Core Arts Standards”

Where does one begin to design instruction and assessment to aid students in achievement of music and visual art performance-based standards?

NATIONAL CORE ARTS STANDARDS

This “hands-on” workshop will guide K-12 educators in deconstruction of the Iowa Fine Arts Standards towards practical instruction and authentic assessment applications. Included will be an overview of the National Core Arts Standards Components, Model Cornerstone Assessments, and “how to steps” towards addressing performance-based standards through instruction and assessment.

Join us for this hands-on workshop. You will be on your way to implementing the Iowa Fine Arts Standards with your students!

Who:	K-12 Music and Art Instructors, Instructional Coaches, Administrators	
Facilitator:	Robyn Swanson, Fine Arts Author of the National Core Arts Standards and Professor at Western Kentucky University. Robyn has provided many workshops nationally and internationally for fine arts instructors on many different facets of arts education and has authored numerous publications.
