

## The ISASP results are coming soon!

*Do you want to get a head start on how to read and interpret the results? If so, join us on Tuesday, October 1, to hear Catherine Welch's presentations on:*

**Measuring Student Achievement on the Iowa Core Standards** - Learn how the results can inform curricular decisions, review the ISASP test specifications, and acquire the knowledge on how the test specifications align with the Iowa Core Standards.

**Interpretive Guidelines for ISASP Results** - What types of reports will be provided? How can the achievement levels be interpreted? What will be the types of scores and metrics provided?

Catherine Welch, Ph.D.  
Iowa Testing Programs

**Shifting  
Classroom  
Practice for the  
ISASP and  
Beyond**

Tuesday, October 1, 2019

Courtyard by Marriott – Ankeny

After one year's experience with ISASP, act now to further shift classroom practice to better prepare students for the assessment and beyond. In this workshop, districts will explore multiple documents and strategies related to implementation of the ISASP:

- ◆ Identify accurate targets for instruction that are aligned to the ISASP
- ◆ Understand question item types on the ISASP and how to provide practice for students on new question types
- ◆ Receive an organized plan for preparing teachers and test proctors for the test
- ◆ Develop strategies for preparing students for the writing portion of the test
- ◆ Build students reading skills for testing and beyond

**Register now at [www.misicimpact.org](http://www.misicimpact.org).**

# Shifting Classroom Practice for the ISASP and Beyond

**Tuesday, October 1, 2019**

**Courtyard by Marriott – Ankeny**

**Registration 8:00-8:30am; Conference 8:30-3:00pm**

After one year's experience with ISASP, act now to further shift classroom practice to better prepare students for the assessment and beyond. In this workshop, districts will explore multiple documents and strategies related to implementation of the ISASP:

- Identify accurate targets for instruction that are aligned to the ISASP
- Understand question item types on the ISASP and how to provide practice for students on new question types
- Receive an organized plan for preparing teachers and test proctors for the test
- Develop strategies for preparing students for the writing portion of the test
- Build students reading skills for testing and beyond

## **Sample sessions at the conference include:**

- Measuring Student Achievement on the Iowa Core Standards
