

## Parent Resources while Working and Learning at Home - # 2

Educational websites that will engage your children and actually let you work for an hour (or two!)

	<p><a href="#"><u>Freckle</u></a></p>	<p>Especially for younger kids, this website is FREE, and differentiates Math, English Language Arts, Social Studies, and Science instruction through fun games and activities. It is super easy for kids to use, and it keeps their attention so that you can get your work done - guilt-free!</p>
	<p><a href="#"><u>PBS Kids</u></a></p>	<p>All of your favorite characters join kids in age-appropriate games and educational activities. There are also lots of fun videos to watch!</p>
	<p><a href="#"><u>Mystery Science</u></a></p>	<p>Kids will love the science videos about topics like "What kinds of animals might there be in the future" and "Why do dogs wag their tails?" After the video, there are fun extension activities. They even have a list of "<a href="#"><u>The Easiest Lessons To Do At Home.</u></a>"</p>
	<p><a href="#"><u>The Big List of Children's Authors Doing Online Read Alouds &amp; Activities</u></a></p>	<p>With kids at home and parents looking for educational activities, many of our favorite authors are offering online read alouds and activities on social media. We've rounded up some of the best virtual author activities.</p>
