

MISIC is pleased to partner with The University of Iowa to offer license renewal credit for the STEM Innovator workshops: Professional Learning, Curriculum, and Assessment Tools

Self-Paced, Affordable, Graduate-Level Online Innovation Workshops

Looking for ways to engage your students in solving real world problems? These workshops offer cutting edge practices of STEM Innovation and Entrepreneurial Thinking to incorporate into your teaching practice and to guide school and district K-12 innovation pathways. Each workshop session unlocks a portion of the STEM Innovator® curriculum toolkit and digital portfolio assessment tool that you will use with your students.
