

Navigating the Changing Face of Special Education in Iowa

Join us for a dynamic professional learning day designed to **support school districts in responding to the significant shifts in Iowa's special education service delivery system.**

This **interactive session** will equip district and school leaders with the knowledge, tools, and collaborative strategies needed to reimagine and redesign special education services.

Participants will:

- explore state-level changes
- examine implications for local practices
- engage in hands-on planning to align systems, staffing, and supports with the evolving changes you are facing.
